

PORTABLE REEL BUCK

The all-new Jameson® Portable Reel Buck is a quick and easy way to set up strand and cable reels up to 54" diameter. The reel buck is designed to be easily moved about the job site using the handles on the frame and the spool as a wheel. The durable steel tube frame has a weight capacity of 1,000 lbs. and can withstand the toughest job sites. The reel buck is collapsible for quick loading and unloading and is adjustable for different reel widths and diameters.

- Load Capacity: 1,000 lbs.
- Accommodates reels up to 54" inch diameter
- Heavy-duty steel frame
- Easy setup and breakdown for transportation

Can ship "small pack" via UPS, FedEx or DHL
